**Subject: Filing of Notice of Determination  
 in Compliance with Section 21108 or 21152 of the Public Resource Code.**

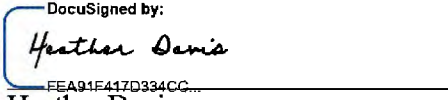

**State Clearinghouse Number:** 2017012008  
**Project Title:** Solar Farm Expansion and Electrical Improvements  
**Project Applicant:** University of California, Davis  
**Project Location:** University of California, Davis  
**County:** Solano County

**Project Description:** The project will make improvements to the campus electrical system to prepare for the future utility connection to the Solar Power Plant Expansion Project in South Campus. The project will install a new 400-amp medium-voltage conductor at the Campus Substation, install eight power poles to expand the campus overhead power system, provide approximately 1,500 feet of medium-voltage feeder conduit and install connections at the designated point of connection (POC) with the Campus Solar Power Plant Expansion site. The Solar Farm Expansion Project is planned to be constructed and operated by a third-party partner through a ground lease and a Power Purchase Agreement, which will be reviewed and approved separately by the University.

This Notice of Determination is to advise that the University of California as Lead Agency has approved the above-described project on *May 1<sup>st</sup>, 2026* and has made the following determinations:

1. The Project would not cause any significant environmental impacts nor an increase in the severity of significant impacts previously studied in the UC Davis 2018 Long Range Development Plan Environmental Impact Report (2018 LRDP EIR).
3. Mitigation measures from the UC Davis 2018 LRDP EIR were made a condition of the approval of the project; no new project-specific mitigation measures are required.
4. The implementation of applicable UC Davis 2018 LRDP EIR mitigation measures will be monitored and reported pursuant to the Final EIR's MMRP.
5. The previous statement of overriding considerations in the UC Davis 2018 LRDP EIR was reaffirmed for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the Final Environmental Impact Report and *Addendum April 2026* to the UC Davis 2018 LRDP EIR with comments and responses and record of project approval is available at <https://environmentalplanning.ucdavis.edu/current-projects> and at UC Davis Campus and Environmental Planning, University of California, 255 Cousteau Place, Davis, CA 95618.
