

NOTICE OF DETERMINATION

TO: **County Clerk**
County of Ventura
800 South Victoria Ave., L#1260
Ventura, CA 93009

FROM: **County of Ventura**
Resource Management Agency
(RMA), Planning Division
800 South Victoria Ave., L#1740
Ventura, CA 93009

Office of Planning and Research
1440 Tenth Street, Room 121
Sacramento, CA 95814

SUBJECT: Filing of a Notice of Determination in compliance with Section 21152 of the Public Resources Code.

PROJECT TITLE AND CASE NO.: Arcosa Frazier Park Mine Reclamation Plan Amendment, Case No. PI23-0039, CA Mine ID# 91-56-0001

APPLICANT: Arcosa LWFP, LLC.

APPLICANT ADDRESS: 17410 East Lockwood Valley Road, Frazier Park, California, 93225

CONTACT PERSON: Thomas Chaffee

TELEPHONE NO.: 805-654-2406

PROJECT LOCATION: 17410 East Lockwood Valley Road, in the community of Lockwood Valley, in the unincorporated area of Ventura County

PROJECT DESCRIPTION: The applicant requests that a Reclamation Plan Amendment (RPA) be approved to authorize changes in the final reclaimed configuration of the Arcosa Mine.

The current approved Reclamation Plan for the Arcosa Mine is comprised of the 2010 Reclamation Plan (Exhibit 8) and CUP 212 (Exhibit 9). The proposed RPA (Exhibit 3) would allow the mining pit to be deepened by approximately 60 vertical feet from 5170 feet above mean sea level (amsl) to 5110 amsl; the existing mine footprint and disturbance area will not change. The change in the mining pit bottom would also

eliminate positive drainage offsite, allowing stormwater to be captured within the mining pit that would naturally evaporate over time. The volume of additional material to be extracted is estimated to be 700,000 bank cubic yards, or approximately 1.1 to 1.3 million tons of material (assuming an average density of 1.6 to 1.9 tons/cubic yard). Mined materials will continue to be processed at the on-site plant; no changes to the existing processing facility are proposed. End of mine date to remain January 18, 2045.

This is to advise that on July 31, 2025, the County of Ventura, as the Lead Agency, approved the above-described project and has made the following determination regarding the project:

1. The project will not have a significant effect on the environment.
2. A Negative Declaration was prepared and adopted for this project pursuant to the provisions of CEQA.
3. Mitigation Measures were made conditions of the approval of the project.
4. A Mitigation Monitoring and Reporting Plan/Program was adopted.

The Negative Declaration and record of project approval may be examined at the County of Ventura, RMA, Planning Division, 800 South Victoria Avenue, L#1740, Ventura, CA 93009.
