Notice of Determination

To: ☑ Office of Land Use and Climate Innovation PO Box 3044, 1400 Tenth Street, Room 222 Sacramento, CA 95812-3044 ☑ Nevada County Clerk-Recorder Office 950 Maidu Avenue, Suite 210 Nevada City, CA 95959 (530) 265-1221

From: Nevada County Office of Emergency Services 950 Maidu Avenue, Suite 130

Nevada City, CA 95959

Alex Keeble-Toll, Director of Emergency Services

(530) 470-2521

Subject: Filing of Notice of Determination

in Compliance with Section 21108 or 21152 of the Public Resource Code.

State Clearinghouse Number: 2019012052

Project Title: South Yuba Rim Hazardous Fuels Reduction Project

Project Location: San Juan Ridge, Nevada County; Bridgeport State Park to Malakoff Diggins State Park; North rim of the South Fork of the Yuba River

Project Description: The proposed project entails implementation of vegetation treatments on up to 7,320 acres of land in Nevada County. Nevada County is the lead CEQA agency for the project. Nevada County has entered into a partnership with the Yuba Watershed Institute (YWI) to implement a portion of the proposed treatments (on up to 800 acres). The partnership entails the provision of resources to the YWI, namely administration of funding for treatments on 800 acres in the project area through a Federal Emergency Management Agency (FEMA) grant and technical input. The proposed treatment types are ecological restoration, wildland urban interface fuel reduction, fuel break, and the treatment activities are mechanical treatments, manual treatments, prescribed burning, herbicide application, and prescribed herbivory. Maintenance treatments would involve the same vegetation treatment types and activities used in the initial treatments. A Project-Specific Analysis and Addendum (PSA/Addendum) has been prepared for the project as a later activity covered by the California Vegetation Treatment Project (CalVTP) Program Environmental Impact Report (EIR). The proposed treatment types and the treatment activities are consistent with those evaluated in the CalVTP Program EIR.

This Notice of Determination is to advise that the County of Nevada (🗵 Lead Agency) approved the above-described project on May 27, 2025 and has made the following determinations related to the PSA/Addendum:

- 1. The project will have a significant effect on the environment.
- 2. South Yuba Rim Hazardous Fuels Reduction Project PSA/Addendum to the CalVTP Program EIR (SCH# 2019012052) was prepared for this project pursuant to the provisions of CEQA.
- 3. The CalVTP Program EIR sufficiently analyzes and addresses potential environmental impacts from the project, and the project will not trigger any of the criteria requiring additional CEQA review pursuant to CEQA Guidelines Section 15162. The project will not result in new significant impacts or a substantial increase in the severity of the significant environmental impacts identified in the CalVTP Program EIR.
 - a. The elements of the proposed project that would be implemented in project areas within the CalVTP treatable landscape are within the scope of the CalVTP Program EIR consistent with CEQA Guidelines Section 15168(c)(2), as documented in the PSA.
 - b. The elements of the proposed project that would be implemented in areas outside the CalVTP treatable landscape and revisions to two standard project requirements from the CalVTP Program EIR would not result in the occurrence of any of the conditions described in State CEQA Guidelines Section 15162 calling for preparation of a subsequent EIR; therefore, an Addendum has been adopted to address these changes to the program.
- 4. Mitigation measures and standard project requirements from the CalVTP Program EIR were made a condition of the approval of the project; no new project-specific mitigation measures are required.
- 5. A mitigation monitoring and reporting program was adopted by the County of Nevada for this project.
- 6. A statement of overriding considerations was adopted by the County of Nevada for this project, which reaffirmed the previous statement of overriding considerations in the CalVTP Program EIR.
- 7. Findings were made pursuant to the provisions of State CEQA Guidelines Section 15091.

This is to certify that the South Yuba Rim Hazardous Fuels Reduction Project PSA/Addendum to the CalVTP Program EIR and record of project approval is available to the general public at the Nevada County Office of Emergency Services. The custodian of these documents is Alex Keeble-Toll, Director of Emergency Services. Please contact Alex Keeble-Toll at alex.keeble-toll@nevadacountyca.gov or (530) 470-2521, to arrange document viewing. In addition, the PSA/Addendum is available on the Project Page at https://www.nevadacountyca.gov/3806/South-Yuba-Rim-Hazardous-Fuels-Reduction.
