Project Title: Rancho Seco Solar II Project Addendum

Project Applicant: Sacramento Municipal Utility District

Project Location (include county): southeastern Sacramento County, near Twin Cities Rd/SR 104 & Clay East Rd

Project Description:

SMUD would lease land to a third party to build and operate a PV solar power facility (up to 150 MW), and purchase the generated solar power. The project includes installation of PV solar modules, foundation piles, racking, direct current collection, alternating current collection, inverters, medium voltage transformers, high voltage substation, switchgear, battery storage, and interconnection to the existing SMUD transmission system. An existing solar site would be decommissioned and the site would be reused. Construction would take approx. 13 months, would begin in 2019, and conclude in 2020. At the end of the project's useful life (30-35+ years), the site would be decommissioned.

This is to advise that the Sacramento Municipal Utility District has approved the above
