**SUBJECT: Filing of Notice of Determination pursuant to Public Resources Code section 21108**

**State Clearinghouse Number:** 2015102005

**Project Title:** Sanders Stream Crossings Project (Lake or Streambed Alteration Agreement No. 1600-2020-0096-R1)

**Project Location:** The project is located approximately 0.25 miles northwest of the town of Redway; affecting unnamed tributaries to the South Fork Eel River in the County of Humboldt, State of California; Section 14, Township 4S, Range 3E; Humboldt Base and Meridian, in the Garberville, Calif. 7.5-minute quadrangle, U.S. Geological Survey (USGS) map; Assessor's Parcel Number: 223-162-005, 223-162-004.

**Project Description:** The California Department of Fish and Wildlife has executed Lake and Streambed Alteration Agreement number 1600-2020-0096-R1, pursuant to Section 1602 of the Fish and Game Code to Trent Sanders. The project consists of six encroachment(s): Two encroachments consists of additional analysis of existing culvert road stream crossings. Work for these encroachments includes an additional assessment by a professional engineer that may result in a major amendment of this Agreement for additional project work. One encroachment is to maintain a previously unpermitted culvert road stream crossing. Work for this encroachment will include vegetation management at the culvert inlet and rock armoring as necessary to minimize erosion at the outlet. Three other proposed encroachments are to install rock armored stream crossings. Work for these encroachments will include excavation and rock armoring as necessary to minimize erosion.

This is to advise that CDFW, acting as  the Lead Agency /  a Responsible Agency approved the above described project and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. A  mitigated negative declaration /  negative declaration was prepared for this project pursuant to the provisions of CEQA.  
CDFW considered the  mitigated negative declaration /  negative declaration prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures  were /  were not made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan  was /  was not adopted by CDFW for this project.
5. A Statement of Overriding Considerations was not adopted by CDFW for this project.
6. Findings were not made by CDFW pursuant to Public Resources Code section 21081, subdivision (a).

The  mitigated negative declaration /  negative declaration prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record related to the Lake or Streambed Alteration Agreement is available to the public for review at CDFW's regional office.
